Chancellor’s Student Ambassadors

The Chancellor's Student Ambassadors are exemplary members of the student body. They represent their peers at campus functions and assist in hosting events planned by the Chancellor’s Office. Ambassadors are frequently asked to welcome University guests and share their UNK student experience. Generally, Student Ambassadors serve for one year during their junior or senior year.

Ambassadors must be able to serve for the entire 2019-2020 academic year and be readily available to host events. Student Ambassadors must be available to attend a mandatory one-day retreat on **Friday, August 14, 2020**.

Because of the time commitment required to serve as an Ambassador, the Board will generally not select students who plan to work 20 or more hours a week, who serve as Student Body President, or who are planning to study abroad or student teach.

### How to Become an Ambassador

- Applications for Student Ambassador positions must be submitted to the Student Union office by **Friday, March 20, 2020**.
- Applicants must have completed a minimum of 45 credit hours by December 2019.
- Applicants will select an interview time when their application is submitted. A limited number of times are available. When interview times are filled, no additional applications will be accepted.

Ambassador interviews will be held with the Ambassador Board on **Wednesday, April 1, 2020**, in Room 310 of the Student Union. If you cannot keep your interview, please call (308)865-8523. Selection of Ambassadors is based on availability and willingness to serve, knowledge of the university, leadership, campus involvement, academic background, poise, and interpersonal and communication skills. The overall membership of the group will be considered to best represent the student body.

Serving as an Ambassador is an opportunity and a privilege. You will polish your leadership skills, increase your self-confidence, and learn to better serve others. You will also learn more about the University as you interact with other Student Ambassadors, members of the faculty and administration, and state and national leaders who visit UNK.
