Welcome to UNK!

My name is Bailey and I am the VP of External Recruitment on the Panhellenic Council. On behalf of the whole Panhellenic community, we are so excited that you will be joining us for sorority recruitment!

UNK’s Fraternity and Sorority Life community has given me leadership opportunities, lifelong friends, an unbelievable support system, and so much more. I’m so excited to have the opportunity to help women like you find your home in our community!

Due to Covid-19, this year’s recruitment week will look different than years past, and we will be adhering to CDC guidelines to keep everyone safe. I promise you will still come out of this experience with new friends and amazing memories. You will be paired up with two Pi Chis who will assist you throughout the whole recruitment process. They will be reaching out to you via Facebook and text, so make sure you accept their friend requests. Along with the recruitment team, they are there to answer any questions you may have throughout the week.

Included with this letter is the schedule for recruitment week, please contact me if you have any questions. I can’t wait to see you in a few short weeks!

On behalf of Panhellenic and the Fraternity and Sorority Life Office, we are so excited that you will be joining us for sorority recruitment! We have worked hard to develop a plan for recruitment that follows both UNK and CDC guidelines in order to keep everyone safe and healthy. A majority of the week will take place virtually with a few events happening in person following social distancing guidelines. Masks are required to be worn at all times on campus when you are not in your dorm room, and UNK will provide you with one mask upon move in. The schedule may change so please be patient with us and stay connected with your Pi Chis.
