How to find your LoperMail (email) address: (UNK students MUST use LoperMail for all email correspondence.) Once you are registered for classes at UNK, you are assigned a LoperMail account. This can take anywhere from 24 to 72 hours depending on when you registered.

Log in to your MyBLUE account with your NUID and password: [myblue.unk.edu](http://myblue.unk.edu) (You received your NUID and password when you completed your online application.)

- In the left column under “Profile” there will be a link for “email addresses.”
- Click on this link and your UNK Campus email address will be listed.

This is where you will be connected with your professor and the other students in your classroom. This is also where assignments will be found, completed, and turned in.
