

CAMP PLANNER

Make the most of your time at PAWS U! Use this planner to set up the best experience possible.

Hello campers! Use the table below to create your PAWS U schedule. Attend as many workshops and activities as you want!

1. Begin by deciding if you are participating in one of our academies. If so, write the academy into all weeks that apply.
2. Choose from our one-week themed workshops for any open spots.
3. Finish your schedule by determining which “extras” you will be adding to complete your day.
