Credit/No Credit

A student may elect one course each semester (a summer session is considered a semester) for which he/she chooses to be graded on the basis of credit/no credit. A student must declare the grading option by the end of the 4th week of the semester or by the end of the first class day in the (Summer or Intersession). Credit/no credit refers only to a final grade in the course, as recorded by the Registrar. Nothing will change in the content of the course or the course examinations. When a student completes the course, he/she will receive a letter grade. If that grade is at least a "C" the student will receive credit for the course. If the letter grade is "C-" or lower, the student will receive no credit for the course. In either case, the student's GPA will not be affected. Students may elect this grading option, subject to the following restrictions:

1. The credit/no credit option is available only to students who have completed 28 semester hours and are in good academic standing.
2. The student must have met all of the prerequisites required for enrollment in the course chosen.
3. The CR/NC grading option cannot be designated for courses required in a major, comprehensive major, minor, or endorsement area of study.
4. The student may choose only one course per semester, unless it is an established function of the course, to be taken on a credit/no credit basis.
5. A maximum of 18 credit hours may be taken on a credit/no credit basis.
6. Students wishing to declare a course CR/NC must do so at the Registrar's Office by the end of the 4th week of the semester or by the end of the first class day (Summer).
7. The CR/NC grading option cannot be changed after the first week of the course (Fall and Spring) or end of the first class day (Summer or Intersession).

- Graduate Students: At the graduate level, credit/no-credit grading must be a function of the course and may not be the choice of the student.

The responsibility for assuring that the student satisfies the above restrictions lies with the student and his/her advisor. The actual granting or withholding of credit is the responsibility of the Registrar's Office.
