The Praxis Core and Subject Assessment tests are required for teacher and administrator certification in Nebraska. The Praxis Core tests must be passed before admission to UNK’s Teacher Education Program. The Subject Assessment test is required before most endorsements are placed on a Nebraska certificate.

Follow the links below for more information on the tests:

**www.unk.edu/certification**
- Click “Praxis” for test prep materials, FAQs, and links to registration
- Suggested test prep resources on the CTR Library link: PrepSTEP, Mometrix eLibrary and Khan Academy

**www.ets.org/praxis**
- Check out the Quick Links
- Select “Nebraska” for more information and registration

**IMPORTANT**: Students are encouraged to thoroughly read the materials provided on the ets.org/praxis website and the information provided at the time of registration. *Individuals who do not follow the instructions provided by ETS may lose their registration fee.*
