What's New at eCampus

Presented by:

Steven McGahan – College of Arts and Sciences (Natural and Social Sciences)

Karen Premer – College of Education

Olimpia Leite-Trambly – College of Business and Technology

Eric Tenkorang – College of Arts and Science (Fine Arts and Humanities)
Respondus LockDown Browser & Monitor

A solution integrated within Canvas to create more secure testing environments and encourage academic honesty in exams/quizzes
Respondus LockDown Browser

• Locks Down the testing environment
• Prevents
  • access to other applications
  • printing and screen capture
  • copying and pasting anything
Question 1
Machiavelli is the author of *The Prince*, which describes the means by which a prince may gain and maintain his power.

- True
- False

Question 2
Which of the following statements is correct about Michelangelo’s sculpture of Moses?

- True
- False
- Michelangelo was 40 years old when he sculpted Moses
- The sculpture of Moses was originally intended for St. Peter’s Basilica

Time Elapsed: 0 minutes, 2 seconds
Respondus Monitor

- Companion application to Lockdown Browser
- Uses webcam and video analytics
- Suspicious behaviors are automatically flagged
- No scheduling or registration
Things to Consider

- Integrated in to Canvas
- Easy to set up and manage
- Available for Windows, Mac, and iOS
- Works with quizzes set up in Canvas only
Online Student Orientation

A newly revised site to help students get started in online education at UNK
Online Student Orientation Topics

• Getting Started & Course Navigation
• Technology Orientation & LoperMail
• MyBlue, Registration, & Advising
• UNK Library & Learning Commons
• Tuition, Fees, & Financial Aid
• Honor Code & Accessibility Accommodations
• Online Student Resources
Open and accessible to anyone at

https://canvas.unk.edu/courses/25822
DesignPLUS

A suite of tools to allow for the creating of visually appealing courses with additional functionality and rapid prototyping.
Aesthetics

- Images, Fonts, Colors, Shapes
- Enhances visual appearance
- Improves interaction with content
What is DesignPLUS

• Collection of Software Tools
• Integrated within Canvas
• Enhance Canvas Tools and Features
Three Main Tools

• Rich Content Editor Tools
  • Styling
  • Organizing

• Upload/Embed Image Tools
  • Upload
  • Crop and Resize
  • Embed

• Multi-Tool
  • Templates Tool
  • Module Builder Tool
  • Due Date Modifier
VoiceThread

A legacy tool that has now been integrated into Canvas for more functionality
What is VoiceThread?

- VoiceThread is an online video/audio discussion board program
- Threaded discussions with private commenting for faculty
- Easy presentations and group presentations
- Doodling for visual demonstration
- Ability to upload multiple types of files
  - Images, documents, presentations, etc.
VoiceThread Additional Functionality

• The new integration provides a few key functionality upgrades
  • Integration into Canvas
  • Ease of use
  • Extra features
Integration into Canvas

- All of the functionality of VoiceThread now integrated within Canvas
Ease of Use

• The new integration provides Single Sign-on for all UNK students and faculty
• Usernames and passwords will be the same for all UNK services
• Instructional designers will no longer have to create accounts
• Available for all UNK Classes
New Features with Integration

• Assignment builder feature
• Grading directly linked to Canvas gradebook
• Require students to:
  • Comment on a VoiceThread
  • Submit a VoiceThread
  • Watch a VoiceThread
Hoonuit

A new Canvas integration of the same skills and technology tutorials available in previous semesters
Hoonuit at UNK

- eCampus has adopted Hoonuit as a tool to help faculty, staff, and students – the entire campus.
- Over 50,000 skill-based video tutorials
- Allow you to:
  - Create your own My Campus Training
  - Create or manage collections called Pathways
  - Create Custom Modules that can be assigned to users
Hoonuit Training Categories

• Accessibility
• Compliance
• Course Design and Facilitation
• Online Student
• Online Teaching
• Software and Technology
• Staff Professional Development
• Student Resources
• And more…
eCampus Training

New ways to develop your online teaching skills
Basics of Online Instruction
Self-paced learning for new online instructors
Basics of Online Instruction

- Self-paced training course
- Promotes reflective learning
- Does not take the place of Faculty Online Training
- To register, contact your Instructional Designer
Self-Paced Courses

Expand your skills in specific topic areas on your own time and at your own pace
New Self-Paced Courses

- Professional development courses that you can take at any time
- Formatted as a 5-Day learning structure
- Initial Courses: Accessibility, Classroom Management, Feedback, Rubrics
- More courses to come

Your pace or mine?
Other Services and Tools

**Training**
- Faculty Online Training
- eLuncheons
- eWorkshops
- Webinars
- unk.edu/keepteaching
- unk.edu/keeplearning

**Tools**
- Respondus 4.0
- Respondus StudyMate
- SmarterMeasure
- Course Template
- Development Checklist
Fall 2020 Training Schedule

- Respondus and StudyMate
  2:30 PM – Sept. 9-10
- Beginning DesignPLUS
  2:30 PM – Sept. 23-24
- Hoonuit
  2:30 PM – Oct. 7-8
- Academic Honesty
  2:30 PM – Oct. 21-22
- DesignPLUS Advanced
  2:30 PM – Nov. 4-5
- VoiceThread
  2:30 PM – Nov. 18-19
