

Change in Program of Study Form

Name

NUID

Date

Program & Degree

This form is used for course substitutions, to approve transfer credit and also to define electives or place courses into specific requirement blocks within your degree audit. Note: no more than 9 credit hours can be transferred from institutions outside of the University system and must be graded with a B or better. Official transcripts are required to accept transfer work. Submit this form to your advisor.

Use drop-down to choose reason for program change.

Course Number and Title

Hours

Institution where coursework was completed.

Use this area to clarify where to place course(s) in the audit, the reason for the change(s) or to share additional information.
