

HEALTH SCIENCE EXPLORERS ACADEMY

STARTING
SEPTEMBER

UNK Health Science Explorers Academy is a one-year program for incoming 11th and 12th grade students interested in a career in healthcare. This innovative educational program provides students opportunities to learn more about health sciences and careers. The year-long program will include hands-on activities, simulations, guest speakers, field trips and advanced health science education from University of Nebraska at Kearney and UNMC faculty.

Students will meet monthly, September through May, on the first Wednesday of the month from 8:30 a.m. to 3 p.m. on the UNK campus. Lunch and snacks will be provided.

Students who successfully complete the Explorers Academy program will earn a \$1,000 UNK room scholarship.

Register at unk.edu/explorers

Application will close April 30. Student selection will be announced by May 10. Program is limited to 25 students.

Cost per student is \$75. Financial assistance is available.
