

ADVANCE YOUR HEALTH SCIENCE CAREER AT UNK

UNK'S NEW 2+2 PROGRAM ALLOWS HEALTH SCIENCE PROFESSIONALS TO ADVANCE THEIR DEGREES AND MOVE UP IN THEIR CAREERS.

- › Earn a Bachelor's degree in a flexible way that works for your schedule.
- › Complete online, on campus, or blended.
- › Design your own program! Choose classes that fit your career goals.
- › Degree completion program for professionals with an Associate Degree in health-related fields can apply to this program.
- › Seamless and easy transition – entire Associate Degree will be applied towards the Bachelor's degree.
- › Great for career advancement and workforce development.

REQUIREMENTS FOR BACHELOR OF SCIENCE – APPLIED HEALTH SCIENCES:

- › Students can transfer up to 66 credit hours from a successfully completed Associate Degree program in a health related field including Surgical Technology, Dental Hygiene, Dental Assisting, Physical Therapy Assistant, Occupational Therapy Assistant, Radiologic Technology, Nursing, Health Sciences, and others as approved.
- › Students will work with a Health Science Advisor to develop an individualized program of study for completion of the Bachelor's degree in Applied Health Sciences.
- › Students must complete all general studies requirements prescribed by UNK.
- › Students must successfully complete 40 hours of upper division electives as part of their program, with no more than 24 credits in any one discipline or subject.
- › A minimum of 32 semester hours must be UNK credits.
