

# EXPLORING DIVERSITY IN HEALTHCARE

MONDAY, JULY 11 | 8AM - 4PM **LEXINGTON**

An exciting day of exploring cultural diversity in healthcare including discovering career opportunities.

- You will learn about topics and issues relating to
  - healthcare
  - anatomy
  - physiology
  - wellness
  - mental and behavioral health
  - other health-related topics.
- Experience hands-on activities, engage in simulations and case studies, and participate in interactive sessions all designed to increase your awareness of healthcare professions.
- Opportunity to hear from healthcare professionals in a variety of fields and learn more about Health Sciences at UNK.
- Get information about Kearney Health Opportunities Program (KHOP) and Health Science Learning Community opportunities.

Exploring Diversity in Healthcare will be hosted in Lexington.  
Lunch and snacks will be provided.

Register at [unk.edu/explorers](http://unk.edu/explorers)

UNK Health Science Explorers welcomes students entering grades 9-12 to this one-day camp.

Registration deadline is two weeks prior to the camp date or when the camp is full, whichever is first. Program is limited to 24 students. There is no charge.

Your Community. Your Health. Your Care.
