

The Transitional Certification Program (TCP) fee helps cover the cost of services provided by the TCP (expanded supervisory site visits, case management, administration). The fee does not defray tuition costs and is charged **only one time** per Transitional Teacher hired, at the beginning of the first semester in which the Transitional Teacher is employed. UNK will send an invoice to the school after all hiring and certification forms are completed and submitted. **The sole responsibility for payment of the fee is with the participating school and is not to be incurred by the Transitional Teacher.** Terms are Net 30.

Fee Schedule 2024-2025:

\$2000 per Transitional Teacher hired under a Transitional Permit (first issuance)

\$1400 per Transitional Teacher hired under a Transitional Permit (first issuance) if Transitional Teacher is in his/her next-to-last semester in the program

\$1200 per Transitional Teacher hired under a Transitional Permit (first issuance) if Transitional Teacher is in his/her last semester in the program

\$1,000 per Transitional Teacher hired under a Transitional Permit (second or third issuance) if Transitional Teacher was previously employed under a transitional permit by another school system
