

2024-2025 Cohort: Academic Plan for Thompson Scholars Learning Community Courses

Please review the following academic plan for Thompson Scholars courses for 1st-Year and 2nd-Year students; **it is your responsibility to leave room in your academic schedule to take a required TSLC course each semester according to your scholarship year.** Please refer to the most current version of this academic plan document on the TSLC website when you meet with your advisor so that they know what TSLC courses will be offered each semester. Information on how each class fits in with the LOPERs General Studies Program is listed next to the course option (in blue). Additional courses will be identified and this document will be updated over time. **NOTE: This schedule is subject to change.**

Exemptions from learning community courses are only granted for unsolvable time conflicts with classes required in one's major or situations related to transfer &/or dual credit; **having fulfilled the minimum requirement in a particular LOPERs category is not a reason to request an exemption.** A form to request a course exemption can be obtained from the TSLC website under the Special Request Forms link. If you have further questions, please contact any TSLC staff member for assistance.
